XL PLANTER GUIDE

XL PLANTERS:

STRIKING SCALE, SMART FEATURES

Introducing Mount Vernon Vessels & Vine's Extra Large Round Planters — a standout addition for high-impact commercial environments. These statement vessels are thoughtfully engineered to balance architectural scale with effortless functionality.

Purposefully Designed Features Include:

- **Integrated Drainage:** Built-in systems support plant vitality by ensuring proper water flow, reducing risk of overwatering, and streamlining maintenance.
- **Lightweight Fiberglass Construction:** Strong, durable, and easy to handle — these planters offer all the advantages of commercial-grade materials without the weight.
- **Oversized Presence:** With diameters starting at 30" and up, these round forms anchor open-air courtyards, lobby interiors, and public plazas with sculptural intent.
- **Versatile Aesthetic:** Clean lines and modern profiles allow these planters to seamlessly complement a variety of architectural styles — from classic to contemporary.

Whether you're outfitting a grand entryway or framing an open gathering space, MVVV's XL Round Planters deliver performance at scale — built for design professionals who demand both beauty and utility.

FIBERGLASS FINISHES

NATURAL:

Natural range is flawlessly smooth and its coating is hand-finished to the highest quality.

URBAN:

Urban resembles cement with its unevenly textured feel and surface pores, giving a uniquely visible appearance.
